Conference Information

What are WESTT and NASTT?

WESTT is a non-profit organization established in 2004 and includes the following states: Arizona; California; Nevada; Hawaii, and New Mexico. WESTT is a regional chapter of the North American Society for Trenchless Technology (www.nastt.org) which is affiliated with the International Society for Trenchless Technology (www.istt.com). The purpose of WESTT, NASTT, and ISTT is to promote education and development of Trenchless Technology for public benefit.

Who should attend?

The conference and course are both useful to public officials, engineers, utility company personnel, designers, and contractors who are involved with constructing, rehabilitating, and managing underground utilities.
